

Leaf Activities

How to make a collection of tree leaves:

1. Place fresh leaves on a sheet of newspaper. Cover with newspaper.
2. Place heavy books on top.
3. After a week or two, leaves will be dry and flat. Glue to a sheet of paper or cardboard with decoupage glue. You can also paint the leaf with decoupage glue to strengthen and shine the leaf.

Making leaf prints:

1. Thoroughly paint the underside of a leaf and press onto construction paper.
2. Carefully lift off.
3. Or hold the leaf down as you paint around the leaf's edge. Carefully lift off. Repeat with other leaves of other shapes and sizes.
